## Complete Course

Click on activity to open

The screenshot shows a web browser displaying the SNC course page. The URL is [dev.snc.punjab.gov.pk/course/view.php?id=3](https://dev.snc.punjab.gov.pk/course/view.php?id=3). The page has a sidebar on the left with a navigation menu. The main content area lists several activities under the heading 'Unit 1: Orientation to Single National Curriculum (SNC) and Science Textbooks'. The activity 'Activity 1 Bridge-in' is highlighted with a red rectangular box. Other activities listed include 'Learning Outcomes', 'Activity 2: Dissecting SNC', 'Activity 3: Dissecting Science Textbooks', 'Activity 4: Aligning SNC and Science Textbook', and 'Activity 5: End of the day Feedback'. Each activity has an 'Edit' button and a checkmark icon.

Concept Building

Read the following descriptions of Science Process Skills carefully.

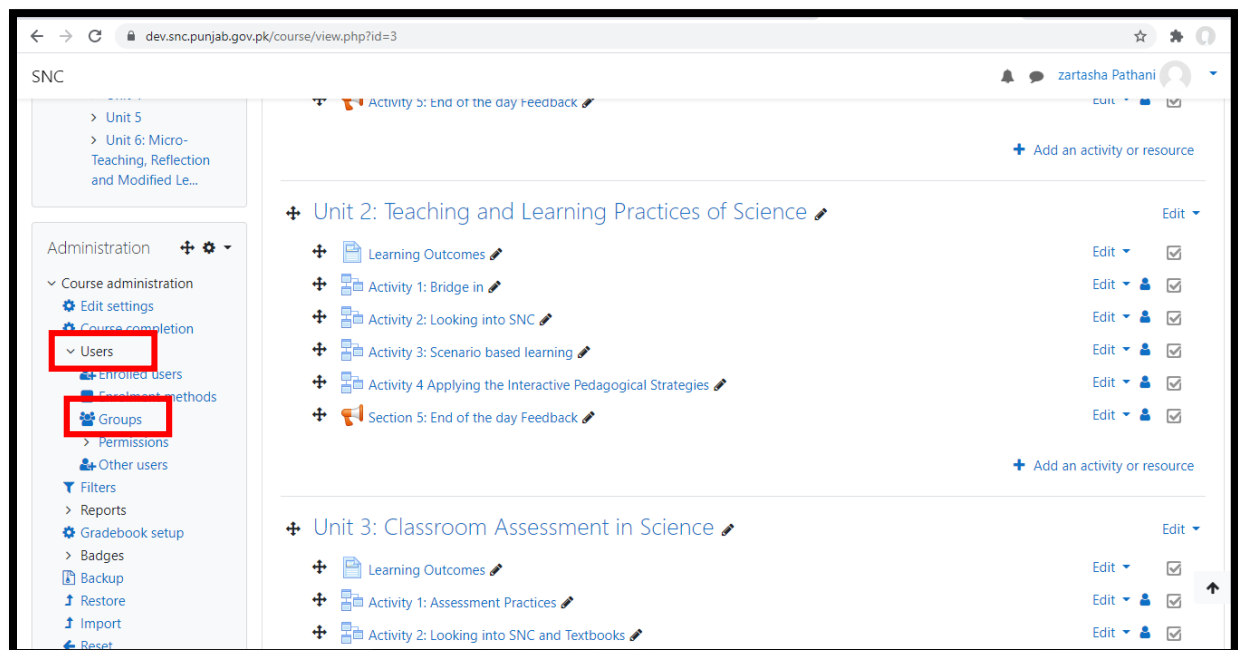

Science Process Skill	Description
Observing qualities	Using the five senses. Using words to describe what is seen, felt, heard, smelled, and (if appropriate) tasted. Notice details. Break things into parts. Name and describe the parts. Draw what you see and label parts of the drawing.
Measuring quantities	Using numbers to describe an object, for example by counting parts, measuring different parts with a ruler, weighing with a scale or balance, and comparing objects using quantities (e.g. 2 apples weigh the same as 1 mango).

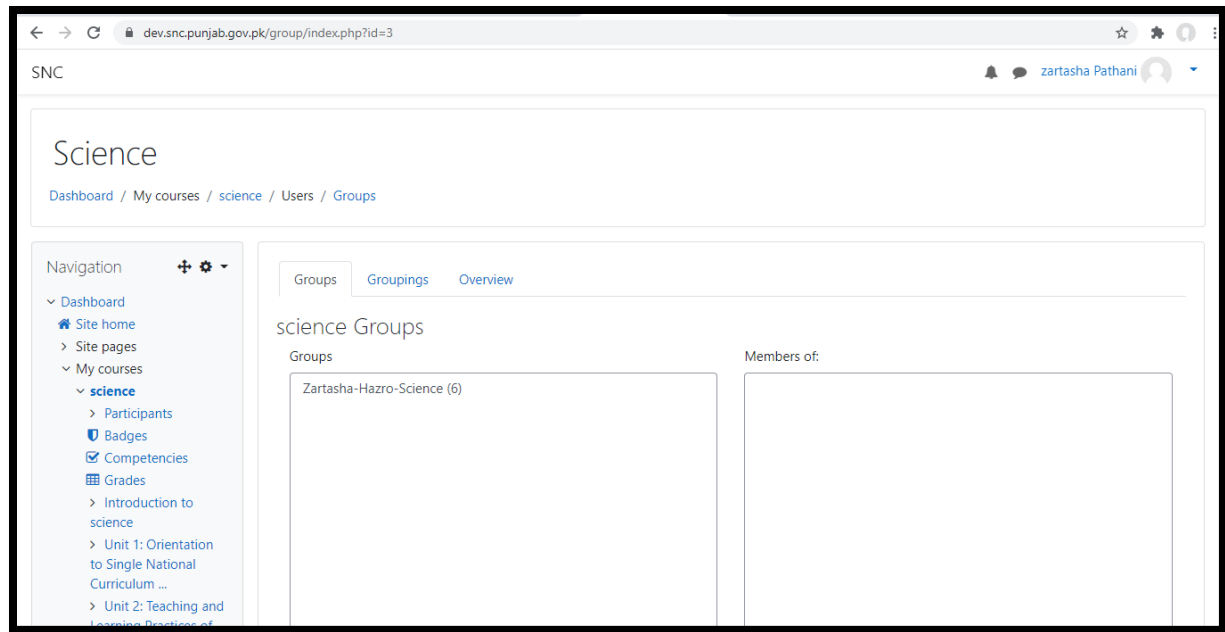

All activities must be performed for completion of course.

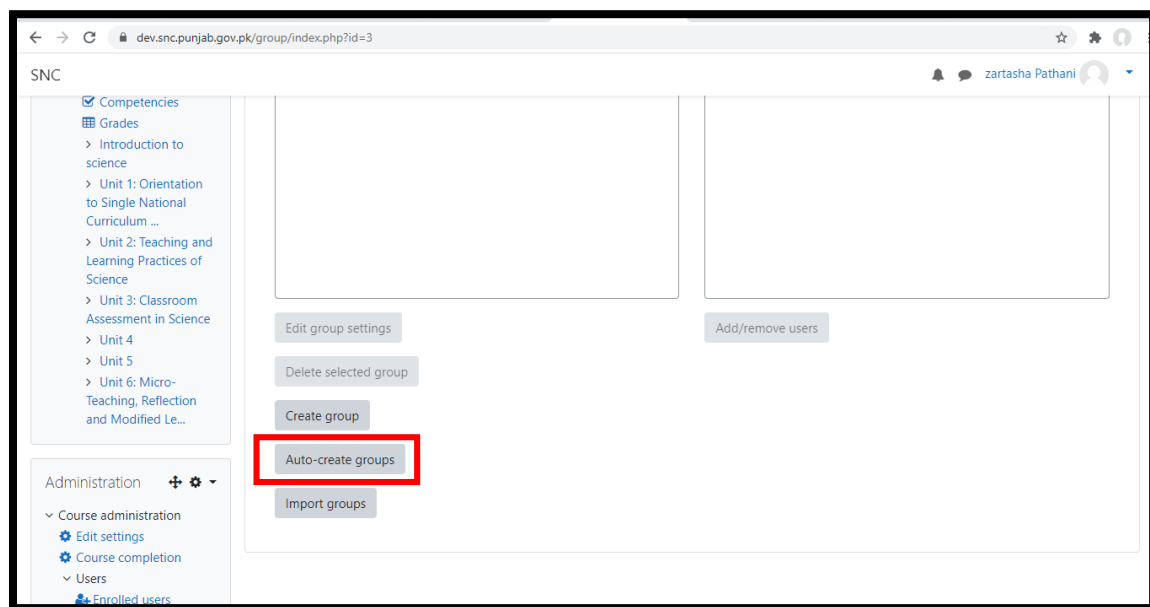

## 2: Group Creation

Click on User tab and then “Groups”

Select Auto create Group

Group Name should be according to the format

**Zartasha-Hazro-Science**

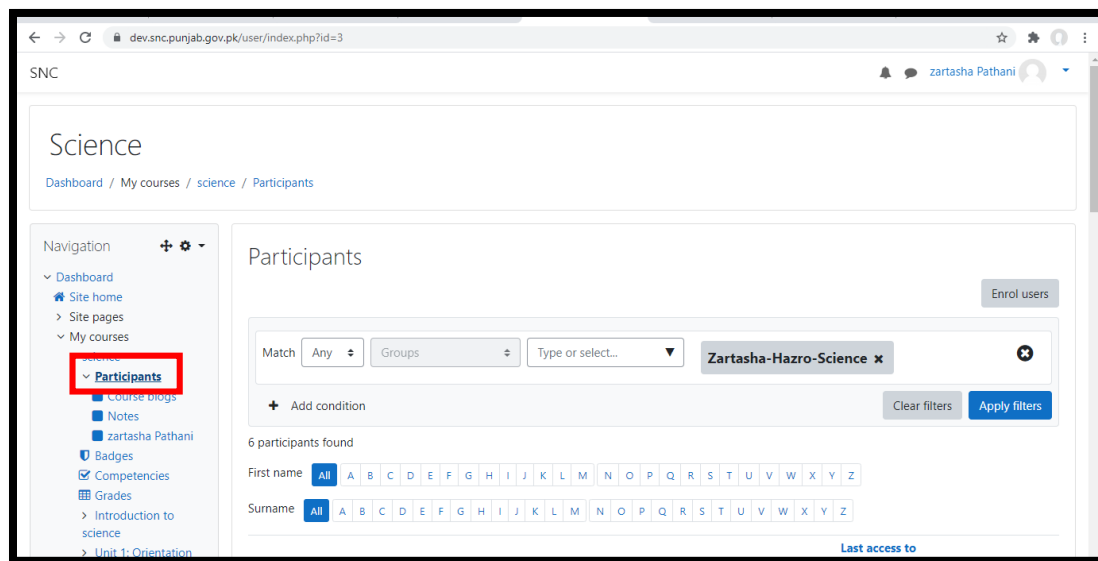

The screenshot shows the 'Science : Groups' page in the SNC system. The left sidebar contains a 'Navigation' menu with options like 'Dashboard', 'Site home', 'Site pages', 'My courses', and 'science'. The main content area is titled 'Auto-create groups' and contains two sections: 'General' and 'Group members'. The 'General' section has four fields: 'Naming scheme' (text input with 'Group @'), 'Auto create based on' (dropdown with 'Members per group'), 'Group/member count' (text input with '5'), and 'Group messaging' (dropdown with 'Yes'). The 'Group members' section has one field: 'Select members with role' (dropdown with 'Student'). Annotations with arrows point to these fields: 'Enter name according to format' points to the 'Naming scheme' field; 'Select Members per group from drop down' points to the 'Auto create based on' dropdown; 'Enter No of members per group' points to the 'Group/member count' field; and 'Select YES from drop down' points to the 'Group messaging' dropdown.

And then press submit

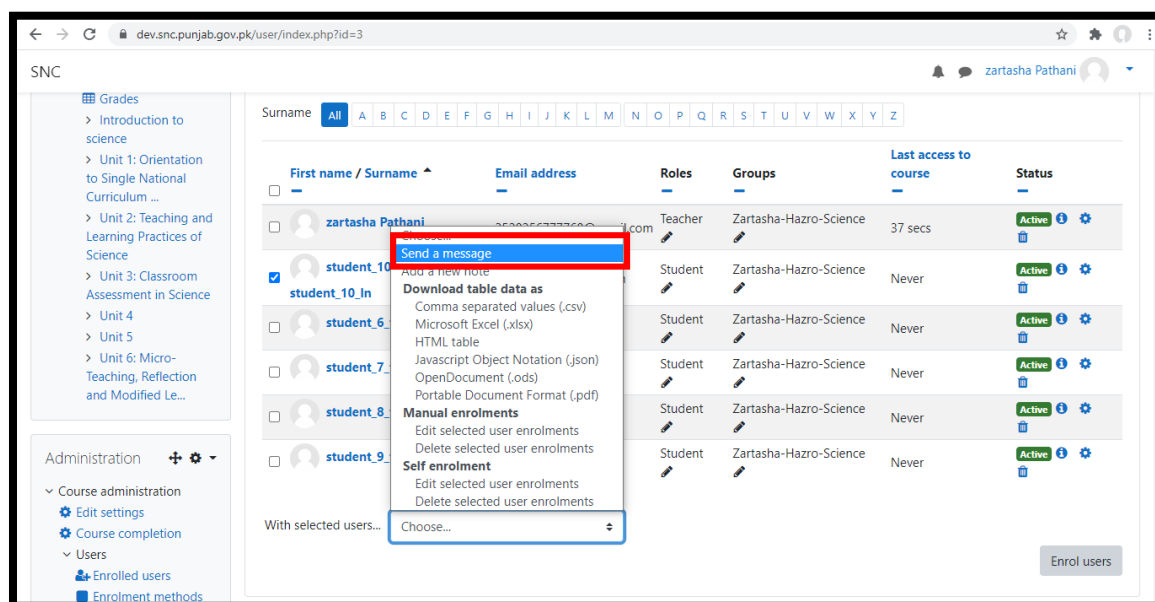

The screenshot shows the 'Science : Groups' page with the 'Grouping' section expanded. The 'Grouping' section has four dropdowns: 'Select members with role' (set to 'Student'), 'Select members from grouping' (set to 'None'), 'Select members from group' (set to 'None'), and 'Allocate members' (set to 'Randomly'). Below these are three checkboxes: 'Prevent last small group' (unchecked), 'Ignore users in groups' (unchecked), and 'Include only active enrolments' (checked). At the bottom of the 'Grouping' section are three buttons: 'Preview', 'Submit' (highlighted with a red box), and 'Cancel'. A message at the bottom of the page states: 'There are required fields in this form marked with a red icon.' The left sidebar is the same as in the previous screenshot, but the 'Administration' menu is also visible, containing options like 'Course administration', 'Edit settings', 'Course completion', 'Users', 'Enrolled users', 'Enrolment methods', 'Groups', 'Permissions', 'Other users', 'Filters', 'Reports', 'Gradebook setup', and 'Badges'.

### 3: Text to Group members

For messaging to the group Participant click on participant on left sidebar

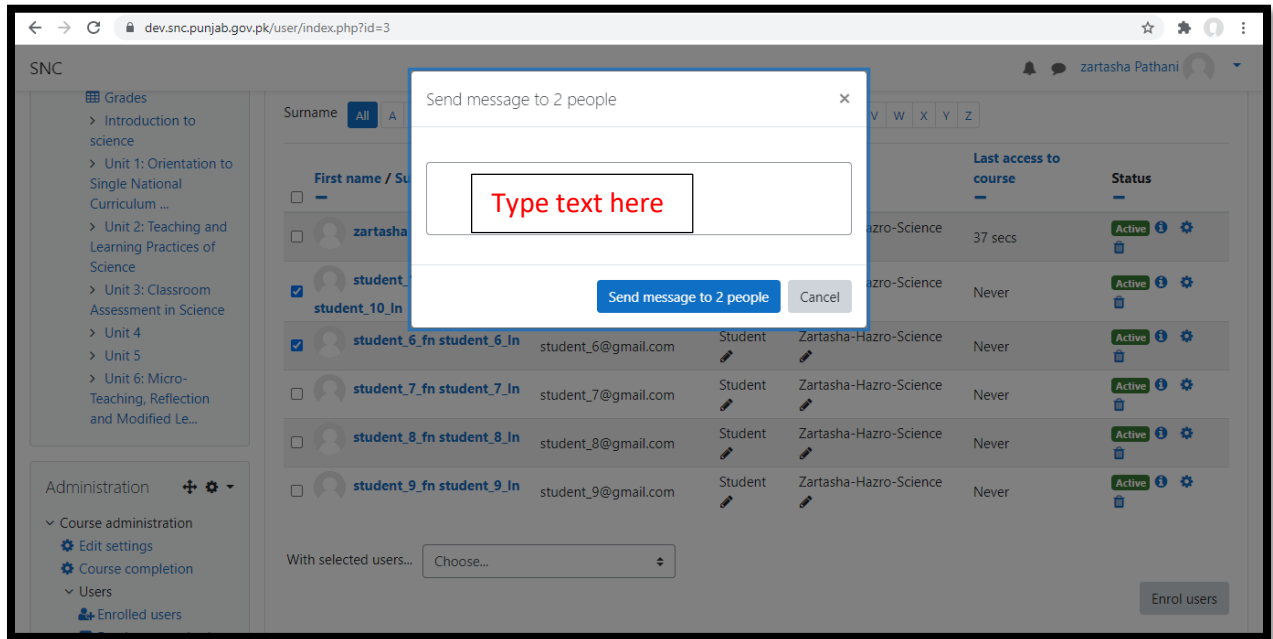

Select specific group to message from list and then send a message from the drop down in the bottom

Type text here

- Link of meeting
- Date
- Time

and then press **send message**.

User can see message on **notification button** on top right corner.
